Costume Payments

If you want to save some money, have your costumes paid in full by December 1st and receive \$5.00 off per costume. If you want to spend more pay your costumes off after December 1st and receive a \$5.00 late fee. Costume payments are separate from Tuition payments, and must be paid in full by December 1st to receive your discount.

Costume Measurement's!

We will be measuring for recital costumes during the months of October and November!!

We do our best to measure each child correctly taking in account potential growth throughout the year. We prefer to order larger than smaller. If we have to reorder any costume due to an error at the studio we will take care of the restocking fee. But if you want your child's costume in a different size at your request, you will have to pay the \$20.00 restocking fee.
